

PATENT

REMARKS

Claims 7-9, 12-14, 22-23 and 26-28 have been withdrawn, with traverse, from further consideration as being drawn to a non-elected invention.

Claims 1-39 are pending.

Election/Restrictions

The Office Action required a restriction of one of the following inventions under 35 U.S.C. 121:

Set I: Bag structure

Group 1: the bag shown in Figs. 1-2B,

Group 2: the bag shown in Figs. 3-3B,

Group 3: the bag shown in Fig. 6,

Group 4: the bag shown in Fig. 7,

Set II: the rack structure

Group a: the rack shown in Fig. 1,

Group b: the rack shown in Fig. 4.

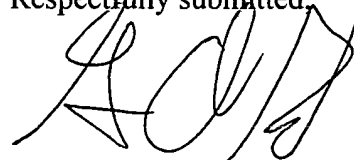

Applicant respectfully traverses the entire. Applicant specifically traverses the restriction in Set I because the bags of Set I are differentiated only by the type of cover for the bag. However, to

PATENT

be responsive, Applicant hereby elects to prosecute Group 1 of Set I. Applicant further traverses the restriction in Set II because the removable rack of Group b adds the advantage of being placeable on the ground. To be responsive, Applicant hereby elects to prosecute Group a of Set II.

If Examiner has any questions regarding this document, Applicant asks that Examiner contact the undersigned immediately by telephone.

Respectfully submitted,

Greg O'Bradovich
